The Amazing CJ • 1 minute ago

I'm sorry but this was so painful to watch. Your supposed to trick people and act like you're going to help sell but then destroy their product, not actually help them.

## THINGS TO DO WHEN YOU ARE BORED

by Alex2k432

Due to the recent alien invasion, everyone has decided to escape to San Andreas to alleviate the boredom. Here are the top three things to do in San Andreas when you are bored!

#1- Invite JR-FATAL and LZZZ to the session to have fun! They are great helpers with MC businesses, skilled racers and professional post op drivers! If you ever see them around please invite them to have fun with you! It also really pisses of salty grinding crews LZZZZZZZZZ.

#2- Griefing Hazem0433 will always be fun! He is a great tryhard and can even grief salo by himself! If you see him in the session please kill him and grief him, he is a great PVP player and will teach you many skills! Be careful though, this is at your own risk! He could leave any time and grief salo by himself!

#3- When Rue\_Technica needs help with sales, please skip him in the queue and tell him to nitro boost the server again. You will get to see a grinder rage! Do not accept any invites from him, he might force you into a sale and not help back!

## Biker Bonuses in GTA Online: May 7 - 13

### Double Rewards on Biker Sell Missions, Clubhouse Contracts and Transform Races

For many residents of Southern San Andreas, their way of life revolves around high value contraband, brutal weaponry, roaring chopper engines and leather jackets.

Those straddling a steel horse this week can earn big from illicit businesses and dealings, with all Biker Sell Missions and Clubhouse Contracts dishing out Double Rewards through May 13th.

Those who are vehicle-agnostic can earn 2X GTA\$ & RP in all Rockstar Transform Races as they command control of supercars, motorcycles, airplanes and more across a series of challenging courses.

## FREE GTA\$500,000

Don't forget to play GTA Online throughout the month of May for a one-time gift of GTA\$500,000. The GTA\$ will be automatically sent to your Maze Bank Account within seven days.

Bring all your business dealings under one roof with 30% off the Arcade Master Control Terminal. Racers also enjoy discounts on a selection of high-end vehicles, including the eye-wateringly fast Benefactor Krieger:

Principe Lectro

Nagasaki Shotaro

## GET BONUS RDO\$ AND GOLD IN SHOWDOWN MODES AND RACES

### Plus Rewards for Daily Challenges and More

Are you the fastest gun in the West? How about the swiftest rider? Try your hand at either or both competitive pursuits to reap 25% extra Cash and Gold in all Showdowns and Races, as well as a 100% XP Boost for both.

Determined players who stick to it and complete 3 Daily Challenges this week will receive a free Ability Card for their efforts. Please allow 48 hours for the Ability Card Reward to arrive in the Benefits section.

# PERFECTLY OUT OF CONTEXT MOMENTS

Heard something on party chat that made you chuckle? Picked up a one-liner on voice chat that had you in tears? Read something on Discord that made you question the IQ level of a fellow crew member? Here are this week's most memorable quotes.

# THE G5 HUNCHO HONKER OF THE WEEK

adrianthracite

## Local Person Cited to Win Award Twice

Adrianthracited has been nominated for her second G5Huncho Honker Award by the SM team this week, and it is very well deserved.

Logging on only to help people sell when they needed it is just one of the many reasons for Adrian's rise to fame. She also helped Big\_Graham fill his warehouses without one single bribe or payoff. She is quoted as being the 'real MVP of helping sales'.

Adrian wasn't satisfied with that as she is also prone to defending lobbies, most notably last night when a crew loaded in and Adrian, with the help of Hugo, Rue, and Damo, successfully fended them off to clean the session!

## SALO GAME GUIDES

We have recently launched two new guides, one to help with sales, and another to help with our lobbies. Special thanks to far2 for making our guide covers look shiny and cool!

## SAD CLOWN GUIDE

For all the newbies, please check out our GTA Guides & Stuff channel and access the Sad Clown to Happy Clown Guide.

## SALOCRAFT

SALOCRAFT is now live, or at least pre-recorded and heavily edited for YouTube! Check us out on the official SALO YouTube Channel - our SaloCraft Discord Channel is available in Know Your Role.

# ROB TRENTON STOP RIGHT THERE MOMENT OF THE WEEK

We had a number of Rob Trenton moments again this week, beginning with yesterday when **JayMc**, a banned member for repeated dipshit offences, wanted to rejoin for the week since it is double MC week!

**SamLowCo** figured he could display his harassment of another crew member in the public forum and decided to annoy a mod (see below)!

**Badnewssmoke** got upset over a joke and left the crew. He then went to another crew and badmouthed SALO and the Admin. The problem with this is that SALO shares some members in common with the other crew, and he was told to shut the feck up in his new crew!

We also had **JimSRockford** baiting people to join his lobby so that he could grab their IP and boot them - unfriend this dipshit.

**damojag** 🇮🇪 Yesterday at 7:21 PM

they voted no

said you'd leave soon as mc week is over

**jingly-peacock** Yesterday at 7:23 PM

Fair enough 😂 they're probably right

**ZeroPrime85** 05/02/2020

Sure it's smart just showing how you harassed a crew member in dms?

**Scorpmann** 🇵🇹 05/02/2020

rip big noob

**samlowco** 🇵🇹 (Gabriel) 05/02/2020

sure it's smart talking about something you have No Context about

**BadNewsSmoke** Yesterday at 1:35 AM

I dont even know why your acting like you know the situation and didnt ask first @DAMOJAG 🇮🇪

**DAMOJAG** 🇮🇪 Yesterday at 1:36 AM

But it's past 1am

And I'm legally not allowed to use my admin powers at this time

**BadNewsSmoke** Yesterday at 1:36 AM

I'm not kidding

# The Midnight Club

There was no Midnight Club last week due to Pierre taking a break to grind crates. This week there might be a Midnight Club meet but since MC sales are double, things are remaining tentative. Stay Tuned.

# SALO Car Show

The winner of last week's Super Cars show was CallMeDeen with the T20. Here he is looking very *professional*:

## The Best of the Rest

# THE HUNCHO CENTER OF OFFENDER REHABILITATION

**SamLowco** found himself in hot water after intentionally ticking off **ZeroPrime** before clarifying the situation and escaping a long-term stay. **Hazem** made it into jail after 3 days back in the crew.

**GoldenMemer** returned to the Welcome channel this week but was brought to jail to answer for his racist memes crimes.

Both **Alex2k432** and **CallMeDeen** had a 'lag issue' on their phone that resembled spamming, they were hurled into the HCOR until they repaid their debt to society. Finally, **Needles** visited the jail momentarily after his momentary lapse in judgement when he decided to insult the Admin.

## This Week's GIMP Recipient

### CERTIFICATE OF RECOGNITION

SALO awards

# Hazeem

For lasting THREE days before being sent to jail

**G5IVEHUNCHO**  
Corrections officer

**DATDONEDUDE**  
SM / certificate creator

# Crew Shoutout

Shoutout to **Viper** and **Adrian** for helping Graham sell his warehouse. Shoutout to **Der\_Geber** who has been a massive help with European lobbies!

Shoutout to **Elacon** and **Big\_Graham** for joining the Admissions team and actually doing something. Big Shoutout to **JohnDoe** for hosting some amazing car meets!

Leopard121 loves Deen.

Massive Shoutout to all the healthcare workers. Thank you for everything you are doing, putting yourselves and their family at risk every day you go to work.

## SALO Highlight Reel

# Wade Hebert Member of the Week

As quarantine continues, we see a rise in the number of Wades each week. This week may just be a record number.

**Pierre** spent all week grinding crates. A man who ordinarily spends more time trolling and grieving decided to devote an entire week to a potential mega sale. Unfortunately, Pierre suffered the wrath of the Rockstar gods as he lost all his crates bar 78!

**Hazem** arrived back to SALO recently, and made an oath that he would climb the ranks to attain the Session Manager role. Unfortunately for Hazem, he is Hazem. He tried to aid ZeroPrime with a sale on Wednesday, and instead of delivering the PO van in the middle of a griever attack, he took to Discord to discuss the situation, and the process, ruin a MC sale.

Finally, we have the notorious **Pastel de Nata** gang, who decided to relentlessly ping poor old Rush all over Discord and then invade his DMs! Then again, it didn't help matters that Rush pinged them repeatedly!

p2471700 (Pierre) 🇧🇷🇨🇦 Yesterday at 8:23 PM

Guys

I was grinding my last two crates last night. Had to take a break and I couldn't finish before the bonus was changed to 102 crates in both my warehouses, so only 6 more missing to finish..... my app crashed, I lost the double \$ bonus and I didn't save and I ended up with only 78 crates

# Name that Movie: Men in Black

The 1987 Ford LTD Crown Victoria, to which J derisively referred to as a "FordP.O.S.", was a MiB standard issue vehicle driven by Agent K at the time of J's recruitment.

The Albany Emperor (which is actually a Cadillac) can be acquired off the street. The modifications necessary to resemble J's Crown Vic will cost about \$241,920 and includes the Classic Rod wheels with a metallic black respray.

This week's Movie Buff winner was **Chompers**. The winner of the location (Legion Square) second prize was **Olivertheoking**.

**Big\_Graham** made the biggest crate sale this week, netting himself \$20,000,000.
